MEMORANDUM FOR: Director of Central Intelligence

FROM: John F. Blake
Deputy Director for Administration

SUBJECT: OP Applicant Activity Report

1. Action Requested: Approval of recommendation.

2. Background: The Office of Personnel produces for me a monthly report which gives an insight into various aspects of personnel recruitment for the reporting period. I find it interesting from two points of view. We track the activities reported on over a three-year period so we have a trend analysis. The second interesting point is in the "Comments and Incidents" section. It presents us with a bit of an insight as to the perspective in which we are held by the academic community, as well as other sectors of the country.

3. Recommendation: It is recommended that this recruitment/applicant activity report be forwarded to you on a monthly basis.

John F. Blake
